

# ~ Shelby's Card Game ~

**The Deal:** Use 1 deck of cards for every 3 players.

- 3 face down
- 3 face up
- 3 for your hand

**Object of the game:**

Be the first to get rid of the cards in your hand and those on the table.

**Strategy:**

- Beat the card in play by going higher or matching.
- **7** - special card – must go lower for 1 turn.
- **8** – wild – makes the discard pile invisible. (play whatever)
- **10** – kills the discard pile. Remove it to the side.
- **4 cards** (in sequence) of the same number or face kills the deck.
- **2, Ace, 8 or 10** are the only cards that can be played on an Ace.

**Play:**

- Discard 1 or more cards and then replace them – you should always have 3 cards in your hand. (Multiple cards of the same number or face can be discarded in one play.)
- If you kill the discard pile, you can play (discard) again.
